WHAT IS BRAZILIAN BARBECUE?

Brazilian barbecue, known as “churrasco,” is a traditional style of grilling that originated in southern Brazil. It involves slow-roasting high-quality cuts of meat over open charcoal flames, often seasoned simply with rock salt to enhance the natural flavors.

The meats are typically served in generous portions, sliced directly from large skewers, and accompanied by classic side dishes such as farofa (toasted manioc flour), vinaigrette, rice, salads, and grilled vegetables.

Brazilian barbecue is a social and cultural experience, often shared with family and friends in a festive, relaxed setting.

WHAT OUR CLIENTS ARE SAYING

★★★★★ Curro Espinos, from Madrid

We had an amazing experience with Eduardo - Merola! Our 10-day family trip to Rio de Janeiro, Foz do Iguaçu, and Angra dos Reis was perfectly planned and stress-free. Everything from accommodations to local tours was well organized. Highly recommend for anyone looking to explore Brazil with ease and comfort!

★★★★★ Mate Rimac, Croatia

We stayed in Brazil for a week (5 days in Rio and 3 in Paraty). Eduardo has organised the whole trip for us, including little things like restaurant reservations, drivers etc. He was always available, knowledgeable, helpful and yet not intrusive so that we had our alone time and privacy. We also had great flexibility as we could cancel stuff last minute without paying for it (panoramic helicopter ride) or organise new stuff on a short notice (helicopter transport from Paraty to Rio). Eduardo has a great network so for whatever we wanted to do, he had the right guy ready. I can only highly recommend Eduardo and his team.

★★★★★ Abather Al-Juboori - Emirados

It was great pleasure to use Merola for our trip to Brazil during the Carnaval in Salvador and Rio. They have done great job to accommodate all our last minute requests. They have very been responsive and their prices are very competitive.

★★★★★ Ilya Borodin, Russia

This was the best concierge service and event organization experience I've ever had. With Mèrola, you can be confident that all your ideas will come to life, and they'll solve any issue quickly and efficiently. I spent over 200k R\$ with Mèrola, and I don't regret a single real. Excellent service and incredible staff. Thank you, Mèrola!

★★★★★ Jordan Lee, UK

Eduardo at Merola Luxury is the man to know in Rio and Brazil in general—there's almost nothing that he can't make happen. He's super responsive and always on top of everything, making sure all the details are taken care of. Whether it's a last-minute request, jet or yacht charter or other special experience, Eduardo has the connections and know-how to make it all come to life. If you're looking for a smooth and unforgettable trip, he's definitely the guy to reach out to, particularly for first time visitors to Brazil.

★★★★★ Carolina Rosa, Espanha

I wasn't sure if he was going to be able to help with what we were looking for. The first thing I asked for was almost impossible, and he did it. It was a fantastic experience in Brazil.
